

What do we need to create a supportive learning community at Project Hope? How do we put our core principles into practice?

- Willingness to help others
- Value other's gifts
- Dedication
- Be Respectful
- Respect other's space
- Embrace other classmates
- Support each other
- No side conversations
- Stay calm - no distractions
- Be punctual
- Focus on good communication
- Be friendly - say good morning
- If late, come into the classroom quietly
- Practice active listening
- Work together and be accepting of each other
- Team work
- Motivation
- If having a bad day remove yourself from class
- Be flexible
- Be patient with teachers
- Stay open minded to others opinions even if they differ from your own opinion
- Patience is the key to success!
- Work together & don't be afraid to ask for help
- Try not to be reactive to teacher and other student's feedback
- Voice your needs
- Honor each other's goals
- Be respectful of other's space
- Give each other space
- Take care of business
- Voice your opinion
- Be mindful of your manners
- Get along and accept constructive criticism
- Be organized
- Don't be judgmental of yourself or others

- Added at orientation 11/30/11 by new students for cycle 2
- Be Kind
- Respect other's religion
- I Mic, 1 Diva
- Believe
- Trust
- Communication
- Debate
- Be in control
- Brainstorm
- Express yourself
- Have fun
- Smile
- Enjoy yourself
- Be Proactive
- Keep head high
- Be supportive
