Census 2020 - Case Study Information Gap Level 3/4/5

Directions: Work with a partner. Tear this paper in half so one partner has "Student A" and the other partner has "Student B". Student A will listen to Student B read the top section of the case study, and fill in the blanks. Then Student B will listen to Student A read the bottom section of the case study, and fill in the blanks. After both student A and student B have complete case studies, work together to fill out the census form together.
